21. Attention racers, after speaking with many racers, tracks, and sanctioning bodies Swainsboro Raceway has made the decision to amend our current tire rule effective immediately. The same compounds we currently allow will still be allowed, but there will absolutely no tire treatment or conditioners of any kind. We will reserve the right to test any tire in any class at any time we see fit. There will also be a 100.00 tire protest fee implemented for fairness of competition.

On a separate note, grooving and siping will now be allowed in the 604 class. We feel it is in the best interest of our racers to be on the same rules package as surrounding local tracks and sanctioning bodies.

THE ABSENCE OF A SPECIFIC RULE DOES NOT IMPLY APPROVAL, CONSENT OR PERMISSION REGARDING THAT SUBJECT. ANY QUESTIONS OR DOUBTS REGARDING SUCH MATTERS SHOULD BE DIRECTED TO RACE TRACK OFFICIALS FOR A CLARIFICATION.
